## Arbor Day April 26<sup>th</sup>

Arbor Day is sponsored by the [Arbor Day Foundation](#). Its mission is to help promote tree care and conservation and educate people on tree issues. Arbor Day was begun by Julius Sterling Morton, editor of Nebraska's first newspaper. Morton thought there should be more trees on the Great Plains, so he proposed a tree-planting contest. It is said that a million new trees were planted the first year.

### ***Forest Funnies***

1. Did you hear the joke about the tree? It'll leaf you laughing!
2. Did you know that I can cut down a dead tree just by looking at it? It's true. I saw it with my own eyes!
3. How do trees access the Internet? They log on.
4. What did the tree do when the bank closed? It started its own branch.
5. Why did the pine tree get in trouble? It was being knotty.
6. How do you properly identify a dogwood tree? By its bark!
